

# Gambit's End

## CHAD CORRIE

### AND SO THE GAMBIT DRAWS TO ITS CONCLUSION...

The rag tag team of mercenaries, turned unlikely heroes, have been assembled. The battle lines have been drawn but there is a nearly impossible battle before them, which none are too certain of surviving.

The Path of Power has laid a trail to one front of the war while there is another being readied to fight with the very Pantheon itself! As the Divine Gambit is fully revealed who will be able to withstand the consequences when losing could mean the end of not only Tralodren™, but also the Tralodren™ Pantheon?

Battles will rage. Mysteries will be revealed. Prophecies will be fulfilled. Alliances will be made in both the realms of mortals and gods, and all will come to a shocking conclusion.

Welcome to **The World of Tralodren®**, a place rich in history, faith, and tales of adventure of which this story is but one of many.

“Despite the attempts of a group of mercenaries-turned-heroes, the creature known simply as The Master has attained godhood and now threatens to destroy the world of Tralodren and its existing Pantheon of gods and goddesses. As Rowan works to save Cadrissa from The Master, Clara strives to keep hope alive among her companions, for this time, the gods themselves take a hand in shaping the destiny of the world. In this conclusion to the ‘The Divine Gambit’ trilogy (*Seer’s Quest; Path of Power*), Corrie has created a world of warring gods and goddesses; peopled it with humans, dwarves, elves, and other races; and infused it with life and color. This saga of faith triumphant belongs in larger fantasy collections.”
